

**Subject:** Letter for Denying DT out on bond

To whom it may concern,

I have been a Katy area resident for over 35 years and I am concerned about the public's safety if the two time convicted murder, David Temple, is released on bond. He has been convicted of killing his wife and unborn child and should stay in jail until his sentencing court date in March 2020. He has stated that he wants to avenge those who testified against him. I would not feel safe as well as my family in my hometown, if he was released on bond. I urge you to please make your decision on the safety and well being of public and keep him in jail until his sentencing court date.

Sincerely,
