

Subject: DENY TEMPLE BOND

Your honor,

I am pleading that you withhold bond for David Temple. He is a twice convicted murderer of two people, one being his own unborn child. I have a personal stake in my request as my family was part of Temple's "collateral damage". My brother and sister in law are Connye and Riley Joe Sanders & my nephew is Riley Joe Sanders III. These family members, whom I love very much, have been dragged through the mud for over 20 years because of David Temple, his family, and defense attorneys. Although the Lucas family is not my own, I also plead on their behalf. The heartbreak, anger and disappointment they must feel in the justice system is unknowable. Finally, I plead to you as a taxpayer to do all you can to FINALLY lock this monster up for the rest of his life. Please do the just thing and do NOT allow David Temple to walk free on bond.

Respectfully,

xxxxx
