

AFFIDAVIT

THE STATE OF TEXAS  
COUNTY OF HARRIS

BEFORE ME, the undersigned authority, on this day did personally appear Randy Wayne Lewis, who after being duly sworn by me, did depose and say:

My name is Randy Wayne Lewis, Date of Birth November 28, 1970. My driver's license number is [REDACTED] and my Social Security number is [REDACTED]

I am giving this affidavit knowingly and voluntarily, without any threat or consideration. I have no personal stake in the outcome of this case. I am of sound and competent mind; I don't have any mental disabilities. I have not been, and am currently not under the influence of any drug or substance that could affect the accuracy of this affidavit.

On the morning of June 30, 1997, I had been at Mr. A's the club. After leaving the club I went across the street to T's restaurant where I witnessed Derevin "Lil D" Whitaker shoot and kill Earl Perry during a dice game.

Two years later, I was pulled over during a traffic stop by DEA Agents Chad Scott and John Schumacher. The agents threatened my life so I cooperated with them by falsely implicating Lamar Burks in Perry's murder. The agents took me to HPD homicide division on October 4, 1999, where I falsely identified Burks as the killer. Agents Scott and Schumacher also forced me to testify falsely before a Harris County Grand jury on May 8, 2000, so they could obtain the indictment against Lamar and Derevin.

Agents Scott and Schumacher wanted me to testify against Lamar at his trial but I couldn't do it. I knew Lamar wasn't the person who killed Earl and my conscience wouldn't allow me to take the stand and point Lamar out.

Derevin Whitaker was the person who shot and killed Earl. Whitaker agreed to become Scott's informant and falsely implicate Lamar in the murder. I want to make clear that Lamar Burks had nothing to do with Earl Perry's death. He never fired any weapon and was never there at the time Perry was shot.

I have carefully reviewed this affidavit, which is accurate to the best of my knowledge as my signature evidences immediately below.
